

Aurora Prime Data Campus
Quarterly Compliance Certificate
Reporting Period: Q2 2026
Certificate Date: 2026-08-22

Borrower: Aurora Prime Data Campus Holdings LLC
Facility: Senior Secured Term Loan

Certified Metrics:

- Senior DSCR: 1.32x
- Total Leverage: 5.10x
- Minimum Liquidity: \$12,400,000

Compliance Statements:

- No default or event of default is continuing.
- All required reserve accounts are funded in accordance with the finance documents.
- Construction drawdowns remain within approved facility limits.

Supporting Note:

Revenue and occupancy improved during the quarter, but debt service headroom remains tighter than the original base case.
